PROFESSIONAL SAFETY CONSULTING TO SUPPORT YOUR NEEDS

Compliance Consultants, Inc. (CCI) is a woman-owned and family-operated safety consulting business located in the Philadelphia region. CCI employs a collaborative, team-based approach to safety consulting which enables us to partner with your organization and provide unique safety programs designed to meet your specific needs.

In 2017, Terri Collins, assumed the title of President and CEO and with this appointment CCI was able to obtain its national certification as a Women's Business Enterprise (WBE) and Woman-Owned Small Business (WOSB). Further, Scott Boro, became Vice President in 2020, adding more operational capabilities and deepening the family legacy into the next generation.

In recent years, Compliance Consultants, Inc. has been expanding regionally and offers services to a broader range of clients. Because we are uniquely positioned for the future as a Small, Woman-Owned Business we aim to maintain this growth and proudly carry forward the founding spirit of integrity and professionalism.

A PART OF YOUR TEAM

Compliance Consultants, Inc. empowers your business to achieve greater productivity by protecting your employees' health and safety from every angle. Whether you're seeking expert guidance for a single issue or a long-term partner for inspections, training, or reporting, CCI can customize a solution that fits your specific work site and business safety needs.

We provide comprehensive workplace safety consulting services and a broad range of safety inspections, industrial hygiene testing, flexible safety training programs, and overall safety program development.

We also offer a host of industrial hygiene testing and monitoring services from asbestos and air quality monitoring, to lead and radon detection. We can specifically look for these hazards and help monitor or mitigate the associated risks so your projects are compliant, your employees are safe, and you can move forward without delay.

Compliance Consultants, Inc. was founded with the belief that everyone has the right to **COME HOME SAFELY.**
